Treasurer's Report

The treasury report for November was not available since Pat could not make the meeting, but I think we are in pretty good shape. **PAY YOUR DUES ASAP !!**

Club News

We still need a secretary so please consider if you would be willing to fill this position for 2008. Dave Decker is kindly filling in for now until we get someone.

Note the December meeting is on the first Tuesday (Dec 4) instead of the second Tuesday due to conflicts with the room schedule at Bass Pro Shops. It will be in either the archery room as normal or the training room in the lunch room area so check both.

Your input for a spring club outing is desired at the December meeting. See the questionnaire attached to the Lunker email for information to bring to the meeting on Tuesday or send your input to Dave Decker if you can't make the meeting.

Tournament Information

The final tournament schedule for 2008 was approved at the November meeting barring any problems that might come up with permits or conflicts with other tournaments. There will be 7 points tournaments with the best 6 counting towards Angler of the Year point totals.
