Treasurer's Report

Dave D. reported \$1,356.52 in the treasury. He -Kevin Moore suggested the idea of 2 wildcard spots for the classic tournament. He will put something in writing and get it to the tournament director for a decision.

Club News

The 2007 club officers took over the reins at the October meeting.

October Tournament Info

- Team tournament on Lake Ponemah was won by Derrek Zdeb and Jamal Chirri. They chose Lake St. Clair for the 2007 team event.

- MBI winners were the Oakland Bass Masters and the MBI for 2007 will be on Cass Lake.

-Club Classic Tournament: Sylvan and Tipsico Lakes. Classic was won by George Shaw with Jamal Chirri taking 2nd and Jeff Braunscheidel in 3rd.

New Business

-The banquet went off very well (at least what we remember of it). 19 members and 15 guests were signed up, a couple didn't make it. Everyone seemed to like the new location and the food, beverages and service were excellent.

-The By-Laws need to be reviewed to determine if any changes are needed. All club members are asked to review these before the November meeting and bring any proposed changes or questions with them to the meeting.

Entertainment

There was none at this meeting. Members are asked to get ideas to Brian Belevender on what they would like to see in this slot.

Miscellaneous Items

-Brian will discuss the youth event at the November meeting.

- We are signed up for a booth at the Novi fishing show again this year. More details later.

- Chip will promote the Club to other tackle companies and friends.

- Please keep an eye out for any unusual or interesting articles or other items for this newsletter and get them to me. I'll try to update the newsletter format next month when I'll hopefully have more time. Note that I have a new home email address (below), but my work one is the same and my old one will continue to work for a while. Thanks.
